Note

Medicare providers aren't allowed to bill you for Medicare deductibles, coinsurance, and copayments when you get services and items Medicare covers, except outpatient prescription drugs. Pharmacists may charge you up to a limited amount (no more than \$3.70 in 2017) for prescription drugs covered by Medicare Part D.

To make sure your provider knows you have QMB, show both your Medicare and Medicaid or QMB card each time you get care. If you get a bill for medical care Medicare covers, call your provider or plan about the charges. Tell them that you have QMB and can't be charged for Medicare deductibles, coinsurance and copayments. If this doesn't resolve the billing problem, call us at 1-800-MEDICARE (1-800-633-4227).
